Company Address: 8125 Cobb Center Drive Kennesaw, GA 30152	PRODUCT AND COM	PANY IDENTIFICATION	I									
	Product Information: Customer Service:	800-TECH-401 800-645-5244	Emergency: Revision Date:	(Chemtrec) 800-424 February 10, 2007	-9300							
Product Identification				, .,								
FLUX-OFF® HEAVY DUTY (Liquid)												
Product Code: ES131, ES531, ES531, ES831L												
SECTION 2: COMPOSITI		N INGREDIENTS										
Chemical Name		CAS	<i>;</i> #	Wt. % R	ange							
Fluorinated Hydrocarbon(HFl	E)	1637	702-07-6/163702-08-7	30.0-60.0								
trans-1,2-Dichloroethylene			60-5	30.0-60.0								
Ethanol		64-1	7-5	1.0-5.0								
SECTION 3: HAZARD IDI				•••								
Emergency Overview: Clear, exposure. Breathing high con				uid may irritate eyes an	d skin under repeated or prolonged							
Potential Health Effects:	icentrations of product va	por may produce dizziness a	na nausea.									
	nd vapors of this product	may be irritating and can cau	ise pain, tearing, reddenin	g and swelling accompa	nied by a stinging sensation.							
		including redness, burning,			, , , , , , , , , , , , , , , , , , , ,							
Ingestion: May be harmful if s					nervous system depression.							
Inhalation: Can be harmful if												
SECTION 4: FIRST AID N	IEASURES											
Eyes: Immediately flush	with plenty of water. At	ter initial flushing, remove a	iny contact lenses and cor	tinue flushing for at leas	st 15 minutes. Have eyes examined							
and tested by medical personn				-	-							
Skin: Wash skin with soa	ap and water. Remove co	ontaminated clothing. Get m	edical attention if irritatio	n develops or persist. W	ash clothing before reuse.							
				by mouth to an unconsci	ous person. Keep head below knees							
to minimize chance of aspirati												
Inhalation: Remove to fresh a	air. If breathing is difficu	lt, give oxygen. Get medica	l attention.									
SECTION 5: FIRE FIGHT	ING MEASURES											
Flash Point: None to boiling												
Extinguishing Media: Use wa	ater spray or fog, CO2, di	y chemical or water stream v	when fighting fires involve	ng this material.	Extinguishing Media: Use water spray or fog, CO2, dry chemical or water stream when fighting fires involving this material.							
Fire Fighting Instructions: As in any fire, wear self-contained breathing apparatus (pressure-demand, MSHA/NIOSH approved or equivalent) and full protective gear.												
rife Fignting Instructions: As	SECTION 6: ACCIDENTAL RELEASE MEASURES											
SECTION 6: ACCIDENTA												
SECTION 6: ACCIDENTA Spills: Shut off leak if possib	ble and safe to do so. Abs	sorb spill with inert material										
SECTION 6: ACCIDENTA	ble and safe to do so. Abs	sorb spill with inert material										
SECTION 6: ACCIDENTA Spills: Shut off leak if possib Do not flush to sewer. Avoid SECTION 7: HANDLING	ble and safe to do so. Abs runoff into storm sewers AND STORAGE	sorb spill with inert material and ditches which lead to w	aterways.	nen place in a chemical	waste container for proper disposal.							
SECTION 6: ACCIDENTA Spills: Shut off leak if possib Do not flush to sewer. Avoid SECTION 7: HANDLING	ble and safe to do so. Abs runoff into storm sewers AND STORAGE	sorb spill with inert material and ditches which lead to w	aterways.	nen place in a chemical	waste container for proper disposal.							
SECTION 6: ACCIDENTA Spills: Shut off leak if possib Do not flush to sewer. Avoid SECTION 7: HANDLING Avoid prolonged or repeated Do not reuse this container. S	ble and safe to do so. Abs runoff into storm sewers AND STORAGE contact with eyes, skin, a store in a cool dry place a	sorb spill with inert material and ditches which lead to w and clothing. Wash hands b	aterways. efore eating. Use with ad	nen place in a chemical sequate ventilation. Avo	waste container for proper disposal. id breathing product vapor or mist.							
SECTION 6: ACCIDENTA Spills: Shut off leak if possib Do not flush to sewer. Avoid SECTION 7: HANDLING A Avoid prolonged or repeated Do not reuse this container. S KEEP OUT OF REACH OF	ble and safe to do so. Abs runoff into storm sewers AND STORAGE contact with eyes, skin, a store in a cool dry place a F CHILDREN.	sorb spill with inert material and ditches which lead to w and clothing. Wash hands b way from heat, sparks and fl	aterways. efore eating. Use with ad	nen place in a chemical sequate ventilation. Avo	waste container for proper disposal. id breathing product vapor or mist.							
SECTION 6: ACCIDENTA Spills: Shut off leak if possib Do not flush to sewer. Avoid SECTION 7: HANDLING A Avoid prolonged or repeated Do not reuse this container. SECTION 0. DIVSICAL AND CHEMICAL DRODEDTIES

SECTION 9: PHYSICAL AND CHEMICAL PROPERTIES	
Physical State: Clear, colorless liquid	Solubility in Water: Negligible
Odor: Ethereal Odor	Specific Gravity: 1.32
<u>pH:</u> NA	(Water =1)
Vapor Pressure: 450mmHg@ 70F	Evaporation Rate: >1
Boiling Point: 106°F	(Butyl acetate=1)
Percent Volatile: 100%	

SECTION 10: STABILITY AND REACTIVITY

R

Stability - This product is stable.

Conditions to Avoid: Steam, oxidizers, elevated temperatures. Do not spray near open flames, red hot surfaces or other sources of ignition.

Incompatibility: Do not mix with alkali metals, pure oxygen, strong base, open flames, and welding arcs.

<u>Products of Decomposition:</u> Thermal decomposition may release hydrogen chloride, hydrogen fluoride, perfluoroisobutylene and small amounts of phosgene and chlorine. Solvent decomposition occurs when catalyzed by metal chlorides which can be produced by reaction of HCl and metals in the system. In the presence of aluminum and excessive water, the decomposition can proceed rapidly with production of large amounts of heat and HCl fumes.

Hazardous Polymerization: Will not occur

Conditions to Avoid: Finely divided active metals, alkali and alkaline earth metals

	SECTION 11: TOXICOLOGICAL INFORMATION								
	Inhalation:			Ingestion:					
	Fluorinated Hydrocarbon (HFE)	LD50 rats > 100	0 000 ppm (4hr)*	Fluorinated Hydrocarbon (HFE)	LD50/rats > 5000 mg/kg*

	*Information provided by manufacturer.								
Cancer Information: No ingredients in this product are listed as human carcinogens by IARC or NTP.									
	Reproductive effects: none		Teratogenic effects:	none	Mutagenic effects: none				
SECTION 12: ECOLOGICAL INFORMATION									
Environmental Impact Information									
Avoid runoff into storm sewers and ditches which lead to waterways. Water runoff can cause environmental damage.									
REPORTING									

US regulations require reporting spills of this material that could reach any surface waters.

The toll free number for the US Coast Guard National Response Center is:

1-800-424-8802

SECTION 13: DISPOSAL CONSIDERATIONS

Dispose of in accordance with all federal, state and local regulations. Water runoff can cause environmental damage.

SECTION 14: TRANSPORTATION INFORMATION

Proper

Shipping Name

Air and Ground: Cleaning Compound, NOI, Not Regulated

SECTION 15: REGULATORY INFORMATION

SECTION 313 SUPPLIER NOTIFICATION

This product contains no chemicals subject to the reporting requirements of Section 313 of the Emergency Planning and Community Right-To-Know Act of 1986 (40 CFR 372).

This information should be included on all MSDSs copied and distributed for this material.

TOXIC SUBSTANCES CONTROL ACT (TSCA).

All ingredients of this product are listed on the TSCA Inventory.

WHMIS: Class D2B

This product has been classified according to the hazard criteria of the CPR and the MSDS contains all of the information required by the CPR.

SECTION 16: OTHER INFORMATION

Normal ventilation for standard manufacturing practices is usually adequate. Local exhaust should be used when large amounts are released.

To the best of our knowledge, the information contained herein is accurate. However, all materials may present unknown hazards and should be used with caution. In particular, improper use of our products and their inappropriate combination with other products and substances may produce harmful results which cannot be anticipated. Final determination of the suitability of any material is the sole responsibility of the user. Although certain hazards are described herein, we cannot guarantee that these are the only hazards that may exist.
