

TGV101 Weathersafe Vision Single Gang 13A Switched Socket

The safest way to take power outdoors. There is no need for running extension cables outside as it features a fully IP66 weatherproof casing with a see-through clear plastic cover and a highly visible power ON indicator. It can be safely used with the lid closed, keeping you fully aware of the power status to your lawn mower, power tool or other appliance.

- Weathersafe 'Vision' see-through clear plastic cover.
- Single gang switched socket – suitable for all 13 amp BS plugs.
- Lockable cover facility.
- Impact resistant housing.
- Easy release lid catch.
- Multiple 20mm knock outs.
- Power 'ON' neon indicator clearly visible when lid closed.
- Spacious design allowing full closure of lid with plug in position.
- Complies with BS1363.
- IP66 weatherproof rating.
- * Part No. TGV101*
