

MENDA TOOLS

35259 - ONE-TOUCH, BLUE, DURASTATIC, HDPE, 6 OZ, HAZARD INFO

- HDPE durAstatic™ bottles are dissipative and are designed to protect your valuable static sensitive printed circuitry
- Make sure workers are aware of chemical hazards every time they pick up a bottle
- Write in the appropriate hazard and protective equipment codes to maximize safe usage and storage of the hazardous materials in your facility
- Right-to-Know (RTK) labels inform employees of chemical hazards, as required by OSHA's Federal Hazard Communication Standard 29 CFR 1910.1200
- No migratory additives - reduces the chance for contamination from the bottle
- Embossed with ESD Protective Symbol
- Long lasting dissipative properties:
Rtt: 10^4 to $<1 \times 10^{11}$ ohms tested per ANSI/ESD STM11.12
<2 second charge decay, tested per IEC 61340-5-1:1998
- Dispenses approximately 2cc of liquid with each pump
- One-Touch Pump - there is an opening in the center of the dish to allow the fluid to seep back down into the bottle
- Genuine Menda "dish-type" liquid dispenser pumps and bottle
- One-handed operation facilitates dispensing small amount of liquid into top dish
- Stainless steel pump includes spring-loaded lid which will stay open or stay closed minimizing evaporation and odors
- Printed with the bottle contents to eliminate the need for additional labels
- Made in the United States of America
