

Punchdown Tool - EPD-914 Series

Sleek rugged ergonomic design for easy effective wire termination. Tested up to 100,000 cycles at high-impact setting.

Features include:

- Hi/Low impact setting
- Combination Hook/Spudger stored in the chassis
- Color coded yellow on the CUT side
- Enlarged blade storage compartment in handle
- Lifetime Warranty (Essentially means unlimited impacts)

Use to properly set, seat, cut and terminate category **3, 5, 5e, and 6 cables**. Simply position the wire, push tool, and listen for confirming pop. Wire is properly seated. Tool is spring loaded for quick, effortless wire seating and terminations. Bayonet style blade retention socket is compatible with industry standard tools and blades.
