

# 20/130W Fast Heat Soldering Iron **TENMA™**

## Features:

- 20W iron features 130W “boost” for fast warm up and recovery when required
- Perfect when general purpose wiring and PC board soldering includes the occasional larger connection
- Momentary push—button on the handle provides added power
- Ceramic heating element ensures consistent, reliable heating
- Silicon insulated power cord is heat and solvent resistant
- Tapered handle stays cool and is easy to grip
- Overall length approximately 9"
- Variety of replacement tips available, conical tip supplied (#21-7980)

## Available Replacement Tips:

- Standard Conical, #21-7980
- Micro Point, #21-7981
- Chisel Point, #21-7982
- Micro Chisel Point, #21-7983
- Long Conical, #21-7984

## Part Number Table

Description	Part Number
Fast Heat/Recovery Soldering Iron	21-8145
