

Bonkote

Bonpens by Bonkote™ are refillable flux pens, that enables fine and accurate flux application on your work area.

Available in 6 distinct styles, for different applications.

You can also use a single cartridge, and simply buy the various replacement tips. Also available the Trial kit (BON-102A) containing 6 different Bon Pen types.

Features

Excellent for fine and accurate application of flux

No flux evaporation - flux density can be kept constant

Flux can be refilled - economical design

Replacement of both cartridge and pen tips is available (5pcs of each are packed)

Nothing is filled in the cartridge when shipping
