

# Double Power LED Slimline Table Lamp

BRUSHED CHROME E35127

This powerful LED table lamp will add value to any home, office or beauty salon with its super high-quality slim brushed chrome design and powerful 5,400 Lux bright light at 15cm.

This lamp uses only 9W of energy but provides an incandescent bulb equivalent of 200W of light.

It provides 90cm/35" long arm reach and even wide coverage of light which is ideal for large work surfaces. The daylight™ technology also reduces eye strain and glare for healthy vision and allows true colour correcting for colour matching when painting or looking at photographs.
