

AdvancedTCA spring - loaded IEA handle

## Front panel reinforced with die - cast end piece and IEA handle with spring loading

Catalog Number:20818-161

Front panel (reinforced with diecast endpiece), IEA handle with spring loading; includes handles, gasketing and fixing materials kit

- EMC textile gasket
- Schroff hot - swap handle (when open, the spring loading aids the complete opening of the handle and thus facilitates the insertion of the board)
- Versions for 2 microswitch types (plunger or lever contact)
- Front panel: Aluminum or stainless steel is reinforced by the diecast end piece (increases robustness of front panel)

### Specifications

Front panel reinforced with die - cast end piece and IEA handle w
