TE-AG 18 Li - Solo

Cordless Angle Grinder

The TE-AG 18 Li – Solo angle grinder is a very handy, compact tool and the lightest angle grinder of its class. It is a member of the Power X-Change family and is powered by lithium ion rechargeable batteries with a battery management system for a long life. The tool is supplied without battery and charger but it can be powered by Power X-Change rechargeable batteries.

Features

- Member of the Power X-Change family
- Lightest angle grinder of its class
- Soft start function and restart safeguard to make it safer to use
- Overload cut-out for a long service life
- Modified air guidance for better cooling and longer service life
- Very smooth operation thanks to separation of motor and gearing
- Disk guard with quick adjust facility
- Robust aluminium gear housing
- Slim line design with ergonomic soft grip surfaces
- Additional handle can be fitted flexibly in 3 positions
- Supplied without battery and charger (available separately)
