

HDMI Splitter 1-2, 1-4 & 1-8

CABLE
POWER

HDMI Splitters uses a single HDMI source, accessing to multiple HDMI sinks. The Splitter allows 1 HDMI devices to be split to multiple HDMI compatible monitors or projectors. The Splitter can also be placed at the end of a long HDMI cable to regenerate the HDMI signal. Our devices offer solutions for noise, space and security concerns, data center control, information distribution, conference, school and corporate training environments.
