

CAT5 Modular Plugs

Easy-load system simplifies cable termination!

- Exceed TIA/EIA-568 requirements for Category 5 4-pair (RJ-45) applications.
- Versions for unshielded (UTP) or shielded (STP) cable and for stranded or solid cable.
- Fits 24 AWG cable.
- Load bar eases wire insertion while maintaining 1.27 cm twist requirements.

	Product		Code
Unshielded			
Solid	CAT5 Modular Plugs		FM732-R2-25PAK
Shielded			
Solid	CAT5 Modular Plugs		FM733-R2-25PAK
Stranded	CAT5 Modular Plugs		FM731-R2-25PAK
