

SP-HF1250B

Two-Way Hi-Fi Wood Speakers

Enjoy warmer and deeper sound with the latest 40-watt Hi-Fi two-way wood speakers from Genius, **SP-HF1250B**. The two-way Hi-Fi multimedia system is an excellent choice for connoisseurs of high quality stereo sound. The speakers offer high performance 4" speaker drivers and provide a stronger bass. The 1" tweeter brings out crystal smooth treble. With an ultra-rigid 9 mm MDF board cabinet, you can feel the richer sound and better acoustics from this system.

The SP-HF1250B is the perfect upgrade for your computer, iPod, and all your music. The speakers has a total of 40 watts audio output. The volume, bass and treble controls on the front panel let you adjust the sound. Use the RCA to 3.5mm plug cable to connect to a PC, TV or gaming device easily. A convenient line-in jack is also in front, so you can directly play music from a MP3 player or other audio devices without disconnecting SP-HF1250B from your PC. This system provides a wonderful acoustic experience, no matter if you are listening to music, playing a game or watching a movie.
