Compliant

Description:

The low voltage raceway is a one piece, non-metallic, adhesive backed, latching raceway designed to aesthetically organize and route communications wires, including high speed UTP cable and fiber optic cable, from the telecom room to the work area.

Features:

- Tamper resistant, self-locking hidden positive latch permits quick re-entry as well as providing a secure installation of premise wire.
- Fittings incorporate a minimum 1" bend radius per ANSI/TIA-568-C and 569-A standards.
- Rubber-based, foam-tape adhesive with high ultimate bond strength conforms to any surface.
- Flexible hinge allows the raceway to endure numerous openings without creating discoloration or stress cracking
- Colour is white (WH)

Specification:

Material : Polyvinylchloride (PVC)

Part Number Table

Description	Part Number
1-3/4" End Cap, PVC, White	8443-0454
