

# Extended-Distance Null-Modem Cable, Foil Shielded with Drain Wire, DB25, (2) Male, 25-ft. (7.6-m)

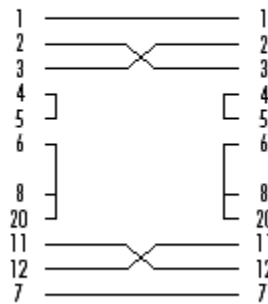

Cables pinned for RS-232 DTE links over short distances.

EYN251-0025-MM

## Pinning

## Description

Extended-Distance Null-Modem Cable, Foil Shielded with Drain Wire, DB25, (2) Male, 25-ft. (7.6-m)

## Quick Facts

- Link RS-232 devices without the need for data communications equipment (DCE) devices.
- Support distances from 50 to 100 feet.
- Guaranteed for life!

## Technical Specifications for Extended-Distance Null-Modem Cable, Foil Shielded with Drain Wire, DB25, (2) Male, 25-ft. (7.6-m):

Cable Construction	Gray PVC
Conductor Gauge	22 AWG (7 x 30)
Mutual Capacitance	50 pF/ft.
Resistance	Less than 16 ohms/1000 ft.
Connectors	DB25
