

# Han D HMC MALE CONTACT Au AWG 18

Part number: 09 15 200 6122

Description: Han D HMC MALE CONTACT Au AWG 18

| <b>Features</b>                 |                                  |
|---------------------------------|----------------------------------|
| Gender:                         | male                             |
| RoHS conformity:                | Yes                              |
| Type of contact:                | Crimp contact                    |
| Series:                         | Han D® HMC                       |
| <b>Connection data</b>          |                                  |
| Contact resistance:             | $\leq 3$ mOhm                    |
| Wire gauge:                     | 1 mm <sup>2</sup>                |
| Wire gauge AWG:                 | AWG 18                           |
| Stripping length:               | 8 mm                             |
| <b>Material properties</b>      |                                  |
| Material, contact:              | copper alloy                     |
| Surface, contacts:              | HMC gold plated contacts         |
| <b>Dimensions and weight</b>    |                                  |
| Net Weight:                     | 0.62 g                           |
| <b>Norms and specifications</b> |                                  |
| Specification:                  | DIN EN 60 664-1<br>DIN EN 61 984 |
| <b>Supplementals</b>            |                                  |
| Diameter of drilling hole:      | 1.45 mm                          |
