

**Part number** 1515 HANDY

Case-body made from deep-drawn, impact-resistant, grained black plastic shells, pressed on a stable alu-frame, dustproof and rainproof, acid- and scratch-resistant. It has loops at the sides for attaching shoulder strap.

A special pocket in the case-lid offers a lot of space for documents, pencils etc.. The bottom contains a stable plastic insert of 75 mm depth for spare parts, measuring instruments and soldering irons. 4 adjustable partitions allow a flexibel division. For security purposes the case is equipped with 2 key-locks.

**Article description** 1515 HANDY  
Service case without tool set

**Characteristics:**

Practice tip Outside dimensions 340 x 360 x 180 mm

Weight 3.300 kg

Customs Tariff Number: 42021250

EAN Number: 4250838500029
