### 600-2 - Jeweler's Screwdriver .070

Item Id: 600-2

#### *Product Description*

---

Our Jeweler's Screwdrivers are compact and durable, making them an ideal choice for jewelry repair, watch making and subminiature parts assembly. The nickel-plated, knurled bodies conform to government specifications for size and weight. This item is a .070 blade width Slotted screwdriver.
