Withdrawal of Select Embedded Processor Products
Product Withdrawal/Discontinuance Notification**

Date: 4/9/2015
To: Newark/Farnell PCN

Dear Customer:

This is an announcement of the impending withdrawal of devices that are currently offered by Texas Instruments.

This product withdrawal offers a life time buy on the affected products based on limited available quantities. Replacement parts are not offered on these products. The details are in the following pages.

Any negotiated alternative change requirements will be provided via the customer's defined process. Customers with previously negotiated, special requirements will be handled separately. Any inquiries should be directed to your local Field Sales Representative.

For questions regarding this notice, contact your local Field Sales Representative or the PCN Manager (PCN_ww_admin_team@list.ti.com).

Sincerely,

PCN Team
SC Business Services

Product Withdrawal/Discontinuance Notification Details			
Description of Withdrawal/Discontinuance:			
Texas Instruments, Incorporated (TI) is announcing the withdrawal of select embedded processor products as shown in the Product Affected Section of this document. A lifetime buy is being offered, based on limited quantities. Recommended replacement parts are not being offered.			
Reason for Withdrawal/Discontinuance:			
These products are being withdrawn because they run on unique, specific technology process flows that require major changes to continue and it is not feasible to implement these major changes.

Replacement Notes:

F = Similar functionality but not equivalent.

P = Same functionality but not pin-for-pin equivalent and may not be parametrically equivalent.

Q = Same functionality and PIN-OUT as the compared device but is NOT an exact equivalent.

S = EXACT equivalent in functionality and parametrically to the compared device.
