9-Bin

Perfect For:

- Assembly
- Manufacturing
- Customer Waiting Areas
- Retail
- Distribution
- Supply Rooms
- Order Picking
- Tool Cribs
- Much More!

- Cabinets made of high-impact polystyrene; bins are made of polystyrene (GPS)
- Can be used on a desktop, attached to steel rails, frames or louvered panels, and are wall mountable
- Optional Locking Rod keeps bins closed and contents securely in place
- Optional dividers (3 and 4 bin models) expand sorting options and efficiencies
- Neutral stone color is ideal for any environment

TiltView® Accessories

Locking Rod

Keep your contents secure with TiltView Locking Rods. Rods easily attach to unit, and flip down to keep the bins from opening.

Model No.	Description	Pk Qty
TVLRA	TiltView Locking Rod	2
TVLR	TiltView Locking Rod	12
TVCLIP	TiltView Clip*	2

*Not compatible with 06702

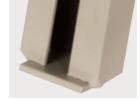

TiltView Clips

Optional Clips allow easy attachment to Akro-Mils' Louvered Hanging Systems or the ReadySpace® Storage System. Bins sold separately.

(not compatible with 06702)

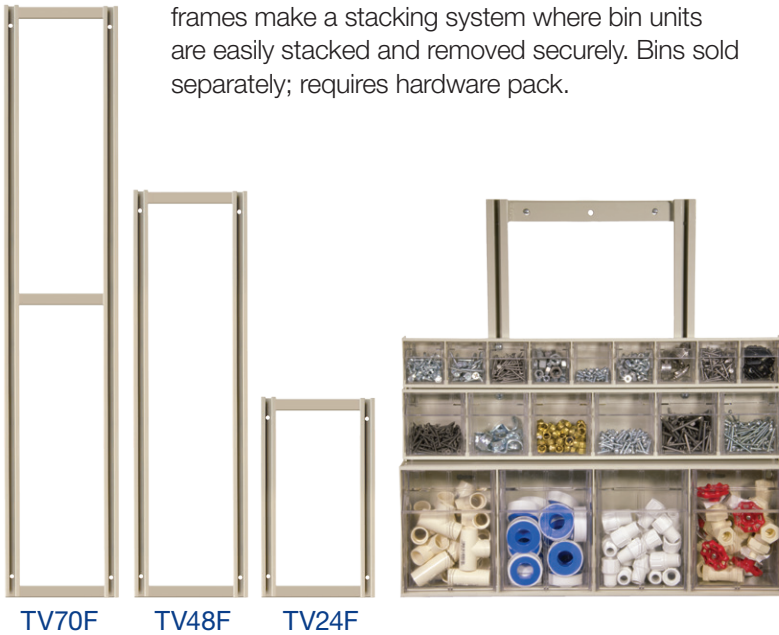

Rails and Frames have a built-in safety stop feature that prevents bins from slipping out of place.

Wall Mount Frames

Available in 24", 48" and 70" lengths. 16-gauge steel frames make a stacking system where bin units are easily stacked and removed securely. Bins sold separately; requires hardware pack.
