PAINT MARKER HD

Acrylic paint markers enhanced with a tough metal roller ball nib

- Use for making marks and writing on rough, oily and abrasive surfaces
- Abrasion resistant nib
- Long-lasting vibrant colours
- Rapid drying

 BLACK 32067-AA	 BLUE 32068-AA	 GREEN 32069-AA
 RED 32070-AA	 WHITE 32071-AA	 YELLOW 32072-AA

SOLID MARKER

Solid acrylic paint stick

- Use on difficult surfaces such as concrete, timber and stone. Ideal for use in construction industries
- Strong paint stick is economical in use
- Nib can be 'sharpened' for more detailed lines
- Marks are highly visible, long-lasting and resist wash off

 WHITE 32065-AA	 YELLOW 32066-AA
--	---

ACRYLIC MARKER PEN

- Use for metal working/fabrication, electrical installations, general component identification and quality control checks
- Tenacious resin binds paint to the writing surface minimising accidental rub-off
- Good water resistance

 WHITE 20394-AA	 GREEN 20379-AA	 YELLOW 20399-AA
 BLUE 20368-AA	 RED 20387-AA	 ORANGE 20383-AA
 BLACK 20364-AA	 BROWN 32061-AA	 VIOLET 32062-AA
