

### Features & Benefits

- High density, 24 ports in 1u
- Simple cable management
- Category 6 system performance
- Custom logo service available
- RJ45 to RJ45 connection

### Specification

Width	483mm (19")
Depth	35mm
Height	24 way 1u (44mm)
Fixing Centres	467mm
Panel Material	Mild steel sheet CR4
Panel Finish	Black powder coat B56496
RJ45 Socket	24x Category 6 RJ45 Keystone couplers
Conforms to	ANSI/TIA-568-C Category 6 Specification

### Ordering Information

Product Description	Part Number
Cat 6 24 Way Through Coupler Panel	009-001-019-40
Cat 6 UTP Keystone Through Coupler	008-010-010-67

Connectix Through Coupler Panels offer Category 6 system performance, and feature 24 ports in 1u. They offer the perfect solution when a panel mounted high performance, high density plug-to-plug connection is required.

Designed to match the other panels in the Connectix range the Coupler Panels have RJ45 sockets front and rear to facilitate through coupling.

The Cat 6 RJ45 Couplers are suitable for linking two Cat 6 RJ45 patch leads together, fitted with RJ45 female sockets at either end.
