RELOAD 5

**The RELOAD 12 charges a smartphone battery up to four times,  
the smaller and lighter RELOAD 5 juices up about 2 smartphones.**

#### ULTRA-FLAT, TRENDY DESIGN

The flat design lets the SKROSS RELOADs slide easily into the side pocket of briefcase or backpack.

#### READY FOR USE

The SKROSS RELOADs are the time of purchase pre-charged and ready to use.

#### MICRO USB CABLE INCLUDED

SKROSS Charge'n Sync Micro USB Cable included in the scope of delivery; 1 meter cable length.

#### SKROSS® RELOAD 5

- 1 USB port with 1500 mA to charge quickly and reliably.
- 5000 mAh battery capacity, sufficient for about two full smartphone batteries.

#### SKROSS® RELOAD 12

- 2 USB ports: 2100 mA with Fast-Charge-Technology and 1000 mA Output for even higher charging speed.
- 12000 mAh battery capacity, ideal to recharge the battery of about two tablets or four smartphones.
