**Subject:** ECCN Exception List Update

Attached is the latest revision to the Linear Technology ECCN Exception List.

The changes to this list are:

Section #2, ADD:

LTC2107CUK#PBF  
LTC2107CUK#TRPBF  
LTC2107IUK#PBF  
LTC2107IUK#TRPBF

Section #3, ADD:

CCATS number for DC9022A and DC9022A-ES

Please note that the addition of the LTC2107 parts numbers are via Self-Classification, but we have submitted these to the Bureau of Industry and Security (BIS) for a formal classification. Once that is received we will update the list with that CCATS number.

Please ensure that everyone within your organization that **NEEDS** a copy of this document, receives a copy.

**INTERNATIONAL SALES:** Please distribute accordingly to your sales staff and **ALL DISTRIBUTORS.**

This updated document will be posted on the Linear Technology Intranet and LTC website within the next few days.

If you have any questions concerning the ECCN Exception List, or the changes made to the list, please feel free to contact me.
