The Discontinuation of Accessories from our Suzhou Plant

Date:	16th June 2015		ID Number : PCN-20150616_PW
Affected Products	Partnumber	Replacement from Evora	
	2348		
	3650		
	3896	3896	
	MA001		
	MA003		
	V10N	V10	
	V11N	V11	
	V8N	V8	
Change	Due to the Move and consolidation of Production of Electrolytic Capacitors from our Plant in Suzhou (China) to Evora (Portugal) we will discontinue Accessories from our Suzhou Plant		
Justification and Benefits	KEMET logistic flexibility will be improved thanks to the consolidation of the production to the Evora location. Most of the Accessories will be also available from our Plant in Evora.		
Effective Date and Identification	Last Production in Suzhou will be end of June 2015.
