LBPM 25 to 63A:

LBDI 25 to 63A:

Features:

LBPM 25 to 63A:

- Degree of protection IP65
- · Panel mount
- 2 hole rear mounting
- Operable from the front (door) coupled with the door mechanism
- Switch with round padlocking device to prevent the switch from being switched on by unauthorised personnel. (The maximum number of padlocks that can be used is 3)

LBDI 25 to 63A:

- Degree of protection IP65
- DIN rail mount
- Metal shaft 280mm
- 2 hole rear mounting or snap on mounting to 35mm DIN rail
 - Operable from the front (door) coupled with the door mechanism
- Door interlock (door opens only in the OFF position). Rigid metal shaft / switch assembly
- Switch with padlocking device to prevent the switch from being turned to the on position by unauthorised personnel. (The maximum number of padlocks that can be used is 3)
- Adjustable mounting by cutting the metal shaft to appropriate length to suit panel height
