KEY FEATURES

- **LATEST ANDROID:** experience all the preferences of Android Lollipop – from up-to-date material design and perfect efficiency to 1.5 million applications, including the best from Google – Maps, Gmail, Drive, Photos and many more.

- **POWERFUL:** latest 1.3 GHz Quad core processor delivers high speed for all activities: watching video online, playing resourceful games, surfing on the Internet, etc.

- **COMPACT DESIGN:** compact body and soft-touch finish for comfortable grip.

- **DUAL SIM:** the phone supports a Dual SIM function. It means you will always keep in touch with all your friends – no matter whether they have the same mobile operator as you or not. You can also engage different price tariffs for calls and Internet.

- **BRIGHT DISPLAY:** bright colours and high contrast on the 4.5" display will turn all your favourite images into pure pleasure.

- **SPACIOUS:** with 4 Gb of internal storage on board, support of micro SD cards up to 32 Gb and 200 Gb free cloud storage you will always have enough space for all your files.

- **READY-FOR-USE:** enjoy carefully selected applications for everyday use, including: one of the most famous antivirus programs, applications for battery life and speed optimization, mobile office suit, offline maps & routing, etc.
