

32-Port AC Chromebook Charging Station (Black)

MODEL NUMBER: CS32AC

Description

From education to business, in settings as diverse as the hospital room and the factory floor, mobile devices have transformed every organization. As Chromebook usage increases, charging and storing dozens of these valuable devices in limited space becomes a challenge and an even bigger security risk. Tripp Lite's Chromebook Charging Stations put an end to cable sprawl and missing assets. Each station houses 32 Chromebooks while providing high-speed charging, secure storage and flexible deployment in a variety of settings. Compatible with all devices that charge via standard AC outlets, including ultra-portable Chromebook™, MacBook Air® and Ultrabook™ laptops. Also compatible with all devices that charge via user-supplied USB power adapters, including tablets (such as iPad®, Android™, Kindle™, Kindle Fire™ and Surface™ models) and mobile phones (such as iPhone®, Android and Windows Phone® models).

Features

- Compatible with all devices that charge via standard AC outlets, including ultra-portable Chromebook™, MacBook Air® and Ultrabook™ laptops
- Also compatible with all devices that charge via user-supplied USB power adapters, including tablets (such as iPad®, Android™, Kindle™, Kindle Fire™ and Surface™ models) and mobile phones (such as iPhone®, Android and Windows Phone® models)
- Removable/reconfigurable dividers protect and organize each Chromebook
- Sturdy steel construction securely houses the devices
- Mounts to wall or deploys on a desk, counter or floor
- Trim panels conceal AC adapters and cords
- Optional [CSHANDLEKIT](#) (handle, rolling casters, hardware) can turn the cabinets into mobile carts
- Device support shelves are Teflon® coated to protect Chromebooks from scratches during removal and storage
- Flow-through ventilation prevents devices from overheating
- Ships fully assembled

Specifications
