

Description

Statguard® Dissipative Neutral Floor Cleaner is specifically formulated to clean floors treated with Statguard® Dissipative Floor Finish. Statguard® Dissipative Neutral Floor Cleaner is formulated with dissipative agents that will rejuvenate and improve the static dissipative properties of the Statguard® Dissipative Floor Finish, as well as other dissipative or conductive floor tiles and polymer type floor finishes. Statguard® Dissipative Neutral Floor Cleaner effectively cleans without leaving behind any harmful residue that can impede dissipative properties. This product is also recommended for use on conductive floor tile.

Physical Properties (as supplied in concentrate)
