

Product Change Notification

Product Group: Film Capacitors/June 04, 2014/PCN-FC-005-2014 Rev 0

Halogen Free and Vishay Green MKT General Purpose Film Capacitors

DESCRIPTION OF CHANGE:

Vishay Film Capacitors is pleased to announce that we are progressively eliminating Halogen from our film capacitors, driven by environmental concerns and to fulfill the 2016 deadline imposed by the EU directives over Waste Electrical and Electronic Equipment (WEEE).

This change will result in modifications on the plastic case and filling epoxy, which will both become black. This will make the new shipments easily identifiable by component color. Also, from now on, marking is possible with Vishay logo or with Vishay lettering.

Additionally, Vishay will upgrade the series MKT1817/MKT1818, and on the MKT 1817, which is currently supplied with Cu wire, Vishay will add copper clad iron wire (fecuma) as lead wire material. The pitch compatibility is maintained and no changes to the PCB are needed.

Manufacturing sites for these series will be Famalicão (Portugal) and Loni (India).

CLASSIFICATION OF CHANGE:

Change in filling epoxy and plastic case, dimensional changes on selected series, lead wire material added on selected series, manufacturing sites added.

REASON FOR CHANGE:

Fulfilling the expected requirements of WEEE and the internal Vishay targets for GREEN products

EXPECTED INFLUENCE ON QUALITY/RELIABILITY/PERFORMANCE: None

PRODUCT CATEGORY: Film Capacitors

PART NUMBERS/SERIES/FAMILIES AFFECTED:

MKT1818 – Halogen Free, Vishay GREEN, Upgrade and added manufacturing site.

MKT1817 – Halogen Free, Vishay GREEN, Upgrade, lead wire material change and manufacturing site.

BFC2370 / BFC2371 / BFC2372 / BFC2373 – Halogen Free, Vishay GREEN added manufacturing site

BFC5370 / BFC5371 / BFC5372 / BFC5373 – Halogen Free, Vishay GREEN and manufacturing site

BFC2470 – Manufacturing Site

VISHAY BRAND(s): BCcomponents, Roederstein

TIME SCHEDULE:

Start Shipment date: shipments will start from 1st November 2014 onwards

Last Time Buy Date: n/a

Last Time Shipment Date: n/a

SAMPLE AVAILABILITY: n/a

PRODUCT IDENTIFICATION: by date code, by plastic case color and by filling epoxy color.

QUALIFICATION DATA: yes, on request – AEC-Q200 for 370 - 373 report available at end 2014 (estimated).

This PCN is considered approved, without further notification, unless we receive specific customer concerns before 15th October 2014 or as specified by contract.

Datasheet:

In the datasheet we will add the symbol "Halogen Free" and 'Vishay Green'.

**HALOGEN
FREE**

**GREEN
(5-2008)****
