

Product/Process Change Notice - PCN 15_0267 Rev. -

Analog Devices, Inc. Three Technology Way Norwood, Massachusetts 02062-9106

This notice is to inform you of a change that will be made to certain ADI products (see Appendix A) that you may have purchased in the last 2 years. **Any inquiries or requests with this PCN (additional data or samples) must be sent to ADI within 30 days of publication date.** ADI contact information is listed below.

PCN Title: Change of ADIS16240 Shipping Tray Dimensions
Publication Date: 10-Dec-2015
Effectivity Date: 09-Mar-2016 *(the earliest date that a customer could expect to receive changed material)*

Revision Description:

Initial Release

Description Of Change

Add anti-crush/self-stop feature, optimize pocket opening dimensions and increase depth.

Reason For Change

To improve clearance so that the entire ball array rests inside the square cavity without any contact, thereby minimizing mechanical damage of devices in trays.

Impact of the change (positive or negative) on fit, form, function & reliability

No change to product itself; improves protection of devices in trays.

Summary of Supporting Information

No qualification required. New tray passed simulation thru dry pack bake.

Supporting Documents None

For questions on this PCN, please send an email to the regional contacts below or contact your local ADI sales representatives.
