

PCN# : P58EAAB
Issue Date : Aug. 31, 2015

Information Only Notification

This is to inform you that a change is being made to the following products.

This is a minor change that has no impact on product quality, reliability, electrical or mechanical performance. Affected products will remain fully compliant to all published specifications. Notification is being made for informational purposes only and there is no approval required. Products incorporating this change may be shipped interchangeably with existing unchanged products on or after the issue date of this notification.

Please contact your local Customer Quality Engineer if you have any questions regarding this notification.

Implementation of change:

Description of Change (From) :

Products are classified at Moisture Sensitivity Level 1 to Moisture Sensitivity Level 2 as well as finish type Comp pb (e3) which is Lead- free compound with Tin plated terminal.

Description of Change (To) :

Re- classification of Moisture Sensitivity Level to Level 3 and finish type to Green comp (G3) which is Green compound with Tin plated terminal.

Reason for Change:

Moisture Sensitivity Level (MSL) rating and finish type re- classification according to product's capability.

Affected Product(s): Please refer to the list of affected products in the addendum attached in the PCN email you received. This list is based on an analysis of your company's procurement history.
