

Discontinuation Notice for Select Low Capacitance Aluminum Electrolytic Capacitors

PDN.PG25.03.16.2015

03/16/15

Effective Date:	Immediately
Last Time Buy Date:	June 30 th , 2015
Last Time Ship Date:	September 30 th , 2015
Discontinuation Details:	Due to declining demand in the market, Panasonic has decided to discontinue select low capacitance lytic capacitors. Parts effected: $\leq 1\mu\text{F}$ and $\leq 100\text{ VDC}$ Radials, $\leq 0.82\mu\text{F}$ all voltage rating SMD
Suggested Replacement:	None
Affected Part Numbers:	Please refer to the attached excel spreadsheet.
Datasheets:	See Attached
Notes:	Only select low capacitance parts from the above series are being discontinued, not the entire series.
