The G83 Keyboard Series has been a valued product line for nearly 30 years, this 'End of Life' decision on these part numbers was made as part of our on-going product lifecycle management process. We have two quality keyboards as suggested replacements. These are standard items and competitively priced. Please reference the attached file, Product Change Guide by Part Number for details on "End of Life" part numbers and recommended replacement part numbers.

ZF Electronic Systems Pleasant Prairie, LLC will accept 'Last Time Buy' orders of affected part numbers until December 15, 2014. No orders will be accepted after this date. Deliveries resulting from 'Last Time Buy' orders can be scheduled up to 6 months after the 'Last Time Buy' date. 'Last Time Buy' orders will be considered non-cancelable, non-returnable (NCNR). Acceptance of 'Last Time Buy' orders is subject to product availability and will be made at the discretion of ZF Electronic Systems Pleasant Prairie, LLC.

Standard Price book part numbers will be accepted for return and RGM's will need to be in house no later than Dec. 1<sup>st</sup> 2014.

If you do not purchase products directly from ZF Electronic Systems Pleasant Prairie, LLC, please coordinate purchases of the 'End of Life' products with your current supplier. In this case, recognize that your supplier must meet the outlined 'Last Time Buy' parameters.

If you have any questions concerning this 'End of Life' or 'Last Time Buy' process, please contact your Distributor or CHERRY Sales Representative.

Regards,

Russell Mackenzie  
Product Marketing Manager
