Discontinue Notice

of Current Sensing Resistors (ERJM03 series)

Dear Valued customers.

Thank you very much for your strong support and cooperation to PIDSG.

We regret to inform you that our Current Sensing Resistors (ERJM03 series) will discontinue in the near future. This is due to the decreasing demand for the product using in the market. And therefore it is difficult for us to continue manufacturing these series.

Hence, we hope to acquire your understanding in this matter.
Kindly take note on below detailed schedules.

End of Life (EOL) Information

1 Panasonic Part Number

- i.) ERJM03NF10MV
- ii.) ERJM03NJ10MV

2 Subject

Due to above mentioned parts EOL we would like to suggest:-

- i.) Please consider a design change and replaced by other alternatives; or
- ii.) Please forecast your final demand and we will produce your requested quantity upon negotiation.

3 EOL schedules

Final manufacturing date: 31/12/2014

Final order date: 30/11/2014

Last delivery to customer date: 31/03/2015

4 Reply Date

Please return it by 31/10/2014 after receipt of this notice.

If we do not receive your reply within the specified date, the last day of order will remain on 30/11/2014.

[Please reply :-]

1. Current usage condition for your application: (a. **Under Mass production** b. **For Service parts only**)

2. Decision (a. **To forecast and place final order** b. **To change design** c. **EOL no problem**)

* If your decision is (a), please inform us your final order quantity _____.
