Issued : 8th October 2014

DISCONTINUE NOTICE**of Chip Choke Coil (ELL5PR, 5PS, SFG, SFN series)**

Dear Valued customers.

Thank you very much for your strong support and cooperation to PIDSG.

In view of the current conditions, we regret to inform you that the below mentioned products will be discontinued in near future. We have tried our utmost effort to sustain our production, unfortunately due to continuous decreasing of the demand, therefore it is not visible for us to continue manufacturing of these series.

We appreciate and value our business relation and look forward to your continue support in other businesses while we regret any inconvenience this announcement may cause to your operation.
