

**Neoprene Plus Sleeve**

**13.3"**

Another clever and innovative piece of kit by techair.  
 This is **function with emotion.**

Typical of the innovative guys at techair HQ – a sleeve that is more than just a sleeve. Neoprene sleeves are handy, but what do you do with the cables and accessories? Well that's why we're here. Offering three zipped pockets plus a sexy black inner for your 12" to 13.3" laptop's protection and a lifetime warranty, of course. That's why we're a little bit smug about this piece of kit. Now that's **function with emotion.**
