

HD Multifunctional Diagonal Cutter

Features:

- With innovative angled head design and power joint for better access in confined spaces and free view on working place
- Universal tool for electrical wiring: cutting, stripping, shearing, crimping and bending of loops
- Optimise power joint saves cutting force by 25%
- High precision cutting edges with additional high frequency induction heat treatment to hardness of up to HRC 64 for hardest and long-term use.
- Slim design for working in confined spaces
- For soft and piano wire
- Drop forged high carbon special steel, oil hardened and tempered
- Mirror polished head
- Dual component sleeves VDE - Yellow/Red

Specifications:

DIN ISO 5743
