

PRODUCT ADVISORY NOTICE

KEEPING YOU INFORMED OF PRODUCT CHANGES

To: All Customers, Sales Representatives and Distributors

Date: August 15, 2014

Subject: Removal of CE mark from Grayhill I/O modules and mounting racks

This Product Advisory Notice is to alert you that Grayhill will no longer apply the CE mark to their I/O modules or mounting racks. This change will not affect the specification of the I/O modules as the design remains unchanged.

Please forward this notification to the appropriate person(s) in your organization.

Description of Change

The CE registration mark is being removed from Grayhill I/O modules. This is the only change. The design, materials and manufacturing methods are not changing.

Reason for Change

CE requires that all products carrying their mark be RoHS compliant. Grayhill I/O modules and mounting racks are not RoHS compliant, so the CE mark will be removed.

Effective Date

January 1, 2015

Part Numbers Affected

All parts beginning with:
70

Action Required

No action is required.
