April 19, 2013

TT electronics Optoelectronics Business Unit (OPTEK Technology) announces the obsolescence of its OV4Z Series Optimal IV Visible LED Assemblies

**Effective Date of Obsolescence:** Immediately

#### **Part Numbers Affected:**

|          |   |
|----------|---|
| OV4ZAAAA | Optimal IV, Mono LED, Amber                 |
| OV4ZBBBB | Optimal IV, Mono LED, Blue                  |
| OV4ZGGGG | Optimal IV, Mono LED, Green                 |
| OV4ZRGBA | Optimal IV, Multi LED, Red-Green-Blue-Amber |
| OV4ZRRRR | Optimal IV, Mono LED, Red                   |

**Last Time Buy:** No last time buy will be available for the OV4Z Series. Sales will be limited to inventory on hand and any distributor returns. Contact your Optek Customer Service Representative for available inventory.

**Recommended Replacement:** No recommended replacement exists for the OV4Z Series.

**Factory Backlog:** No factory backlog exists for OV4Z Series as of this announcement.

**Inventory:** Under the contract terms of "Obsolescence", distributor inventory is returnable for credit. Requests for return must be received within thirty (30) days of this notification and must include part number, quantity, acquisition cost and purchase order number. Requests received beyond thirty (30) days will not be honored. Please submit your return request to your Optek Customer Service Representative. An RMA number and instructions for return will be provided.

TT electronics/Optek Technology regrets any inconvenience this obsolescence may cause your customers.

Sincerely,

A handwritten signature in black ink, appearing to be 'J. R. H.', written in a cursive style.
