To Whom it May Concern:

The above listed wall plug-in adaptors have been identified as a product which no longer meets EISA 2007 requirements and does not warrant continued fabrication. For that reason, Triad has elected to cease production. Production will cease February 10, 2016.

If you are receiving this notification, our records indicate that you have purchased this device in the past. We are now providing you the opportunity with this notification to place a LIFETIME BUY.
