

Building Services Handbook

2nd Edition Fred Hall & Roger Greeno

This handbook summarises concisely, in diagrams and brief explanations, all elements of building services, covering practice, techniques and procedures. The comprehensive coverage, concise information, high quality illustration and numerous references to the latest UK Building Regulations and other relevant standards also makes this book an invaluable reference tool for practising building services engineers.

- Clear, concise and compact - ideal for students on general construction courses
- Updated in line with the latest revised Building Regulations (Parts B, H, J and L)

ISBN No. 0-7506-6143-7
