## Sloping Control Panel

Sloping control panel for WTL-100 and WTL-120 available on special request.

27

## DESIGN FEATURES

### VERSATILE, ROBUST, FUNCTIONAL DESIGN

Desktop enclosure with optional slope panel and carrying handle. Compatible with aluminum panels on front and back. Screwless assembly for quick internal access using a quick latch mechanism providing added flexibility for medical applications. PCB mounting bosses are located on the top and bottom. Insert areas for semi-custom tooling available on some models.
