SoftMaker
Office 2016
Professional for Windows
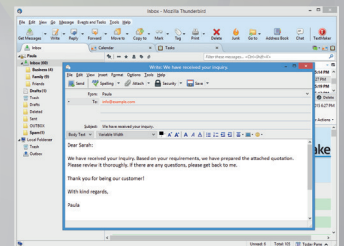

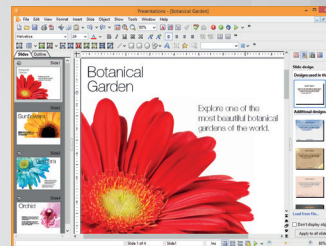

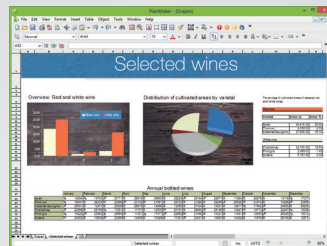

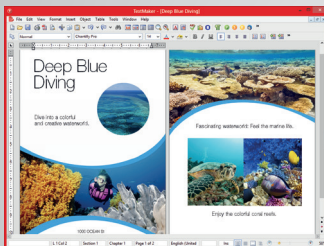

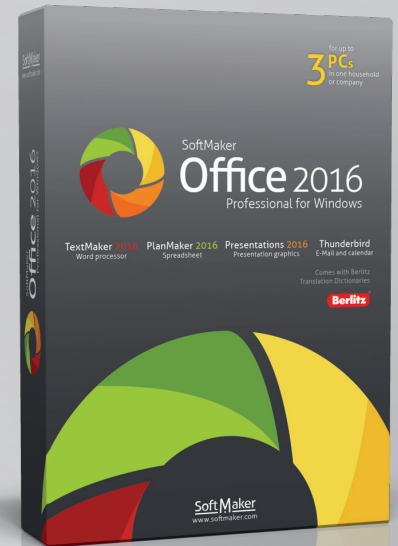

SoftMaker Office Professional 2016 for Windows is the blazing-fast alternative to Microsoft Office. Plus, it's easier to use and highly reliable.

This office suite is seamlessly compatible with Microsoft Office 97 to 2016, thereby letting users exchange files without any headaches.

It has every program users need for their daily office work:

- Word processor: **TextMaker 2016**
- Spreadsheet program: **PlanMaker 2016**
- Presentation program: **Presentations 2016**
- Macro language: **BasicMaker 2016**
- A SoftMaker-extended version of **Thunderbird** for e-mails, tasks and appointments
- **Berlitz** dictionaries

SoftMaker Office installs fast and doesn't take up a lot of space. You can even take it anywhere on a USB stick.
