- Owner's manual

Description

The MR1612 Universal Monitor Riser frees up valuable space on your desk, table or workstation by placing your monitor anywhere from 1.25 to 5.5 inches above the surface. Ideal for home or office, the MR1612 also helps ease eye and neck strain. You can also use it for laptops and printers. The riser's extra-large 15.5 x 11.25 inch platform supports up to 40 pounds. Rubber feet secure the riser in place on smooth surfaces. Assembles in just a few seconds.
