

## TTI TCB560 MULTI STANDARD 12/24V COMPACT MOBILE CB RADIO

The TTI TCB560 is TTI's entry level CB radio similar to their TCB550 model, but has been designed to give some upgraded features.

This radio's slim and compact design enables it to be easily installed in modern vehicles where space is at a premium. Other features include DSS, changeable back light colour and 12/24V dual voltage operation.
