

Global Change Notification (GCN)

Product Family 4.2 W/W Connector 10666267

GCN Number

Series 49624 December 16, 2014

Date Issued

Reason For Change Tooling / Equipment Transfer

Change Description The purpose of this letter is to inform you that mold tools and equipment will be transferred from a subcontractor to Molex Korea Gwangju plant to solve low capacity of molding machine at vendor. The affected Molex part numbers are all of supplier's product as list of part numbers. These products are not affected by transferring of mold tools and equipment because no risk as the same tools and equipment will be used in Molex Korea Gwangju plant. Implementation Date may be changed due to customer demand and production situation.

--	--
