

Global Change Notification (GCN)

Product Family	Battery	10695146
		GCN Number
Series	78864	July 01, 2015
		Date Issued
Reason For Change	Change In Packaging Specifications	
Change Description	<p>The purpose of this letter is to inform you that we plan to change packaging material from "black" to be "transparent". It helps identify process defects in the final stage of product assembly. This will be an additional gating process to ensure zero defect before shipment. Affected part numbers are: 788640001/788641001 All validation is in process and we are expecting to complete the changeover action in the beginning of Dec 2015. This will improve our product's quality performance. We thank you for choosing Molex products. In case of any comments and questions, please feel free to contact us.</p>	

Before: Black Emboss

After: Transparent Emboss
