

Global Change Notification (GCN)

Product Family	Various	10713078
		GCN Number
Series	Various	September 14, 2015
		Date Issued
Reason For Change	Supplier Changes To Raw Material	
Change Description	Many of our high performance I/O cables have two approved sources for EEPROM's. They have the same footprint and are functionally equivalent. This is to inform you that one of those sources (Onsemi#CAT24C02VP2IGT3A) have announced that they are obsoleting the EEPROM that Molex uses as it's primary source. The purpose of this GCN is to advise that Molex will be converting to it's second source (ST Micro M24C02-RMC6TG). Both are fully qualified parts.	
Part Numbers Affected	Please refer to CustomerPartList.csv attached to e-mail message.	
Reason For Short Notice Exception	Force Majeure	
Assessment Of Change (How Product Will Be Qualified & Validated)	2nd source has been qualified.	
Internal Molex Qualification Date (Planned Date Information Available)	August 17, 2015	
Sample Availability Date (Changed Part)	August 17, 2015	
Date of Implementation	September 19, 2015	
Method of Identifying Change	Tracking by serial number	
Recommended Replacement Parts	N/A	
Last Time Buy Date for Obsolete Parts		
Last Time Ship Date for Obsolete Parts
