Product Inner Packing Pallet Change for LSP05, LSP05G and LSP10 Series (PCN# 4561E)

Dear Valued Customers,

Littelfuse would like to notify you of a change relating to the product inner packing pallet for LSP05, LSP05G and LSP10 product series.

We will change the material of inner packing pallet from current polystyrene to a more environmentally friendly corrugated paperboard. The current minimum packing quantity, delivery quantity and the outer carton size will be remained with no changes.

Please refer the current and new inner packing pallet photo and the affected part number list below. This new inner packing pallet will be used from **September 30th, 2016**; during this transition period, customers are expected to receive the product with polystyrene inner pack pallet until current inventory in our warehouse and distribution channels are depleted.
