

## Global Change Notification (GCN)

Product Family	DuraClik™ (CRIMP REC. TERMINAL FOR 2.0W/B SMT)	10663202
----------------	--	----------

GCN Number

Series	560085	November 26, 2014
--------	--------	-------------------

Date Issued

Reason For Change	Change In Packaging Specifications
-------------------	------------------------------------

Change Description	This is a notification for a change in packaging of 560085-0101 terminal. Molex is to shorten plastic protection band width of the reel to reduce the clearance between terminals and packaging to improve protection during transportation of products. Also, Molex will tighten the reel tension for additional security during transportation, and for easier use of automated crimping process in our customers. Furthermore, the carton, reel, and kraft width will become shorter accordingly to the band width. There will be no influence on products function of 560085-0101, only package style is changing. The implementation date is scheduled on 1st Dec, 2014 (Might be changeable due to some arrangements for the change).
--------------------	---
